ANNUAL PUBLICATION OF
ROCK HILL HIGH SCHOOL
ROCK HILL, SOUTH CAROLINA

Prologue

As the year has advanced, the happenings at school and in the world have served to enhance the quality of our memories and impressions. The 1980 Presidential election, the American hostages held in Iran, the death of Beatle John Lennon, and the Olympic boycott have touched our lives in many different ways. Everyone is a part of history; however, only a few people ever record it. By reading diaries and old newspapers, we gain a perspective on the events that have taken place in our time. The purpose of this book, then, is to serve as such a diary: for it records the events of this school year. In the days to come, may it remind us of our young years and of our happy times together at "dear ol' Rock Hill High."

DEDICATION ...

TO THE OFFICE STAFF

Rock Hill High's office personnel, the best at their respective duties—Dorothy Hinson, Jo Ann Haire, Ruth Green, and Deborah Rogers—comprise a special hard-working staff. Though not known personally by all the students, these four ladies continually engage themselves in all the affairs necessary to the smooth operation of the High School. Without their time and determination, Rock Hill High would not function properly; and school life would be much more difficult for everybody.

Who would have taken up lunch money or checked on our attendance? Who would have typed the official school correspondence and gotten together all the bits and pieces of information for college transcripts? Who would have called home when we were sick? Who would have welcomed all the visitors to "dear ol' Rock Hill High"? Who would have prepared all the computer sheets for a 100% run of the schedule each quin? Why, the office staff, of course!

For their patience through another trying school year, for their superior work in every area of school life, and for their friendship through three years of our lives, the Rock Hill High School Class of 1981 says thank you and offers this book as a small token of appreciation ... for a job well done!

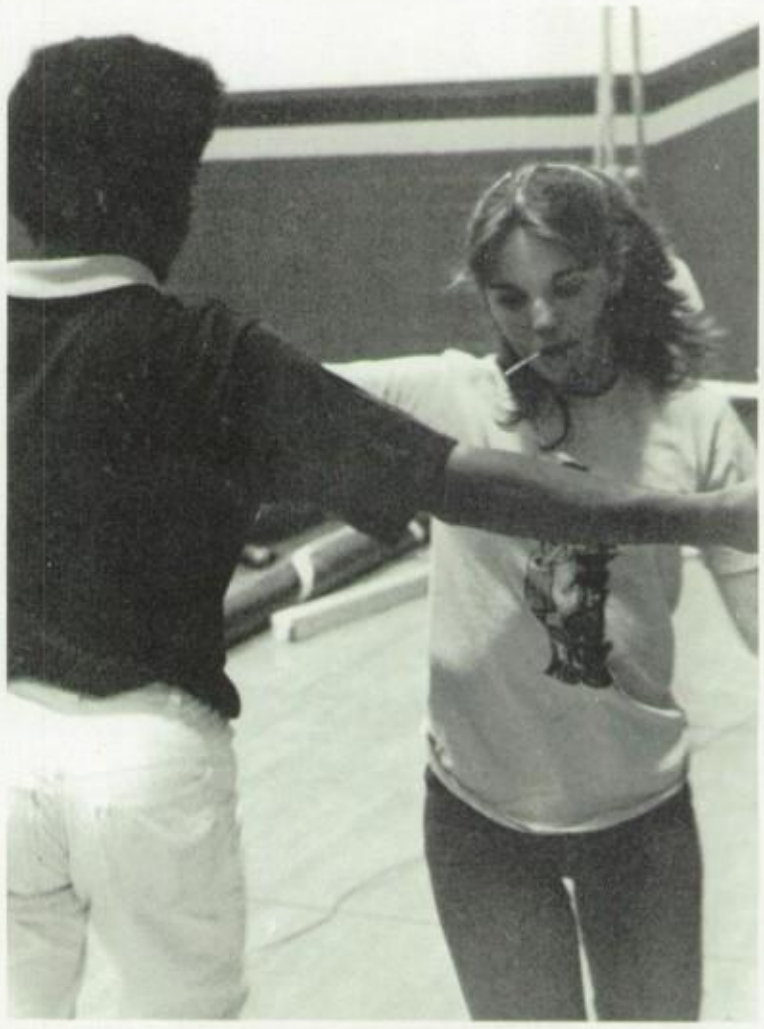
"Tropical Illusions" — Prom 1980

The week before the prom is filled with fun and excitement as the Juniors begin decorating the gym and the Seniors begin anticipating the grand event. When the magic night arrives, all dress in their elegant evening clothes, and depart for an evening in paradise. Upon entering the gym, the Seniors glimpse a sandy beach and waterfall along with palm trees, which add to the tropical atmosphere. As the familiar songs of the '80's are heard from the band Symbol 8, the dancers shyly move onto the floor. The night seems like it's only just begun and it is over. All will take with them a memory of an unforgettable night.

Lori Sapp tries out new make-up for the grand night.



Prisha and Mike believe in the "come as you are" policy.

Coach Smith, there aren't any coconuts in those trees!

Why can't we plant real palm trees?

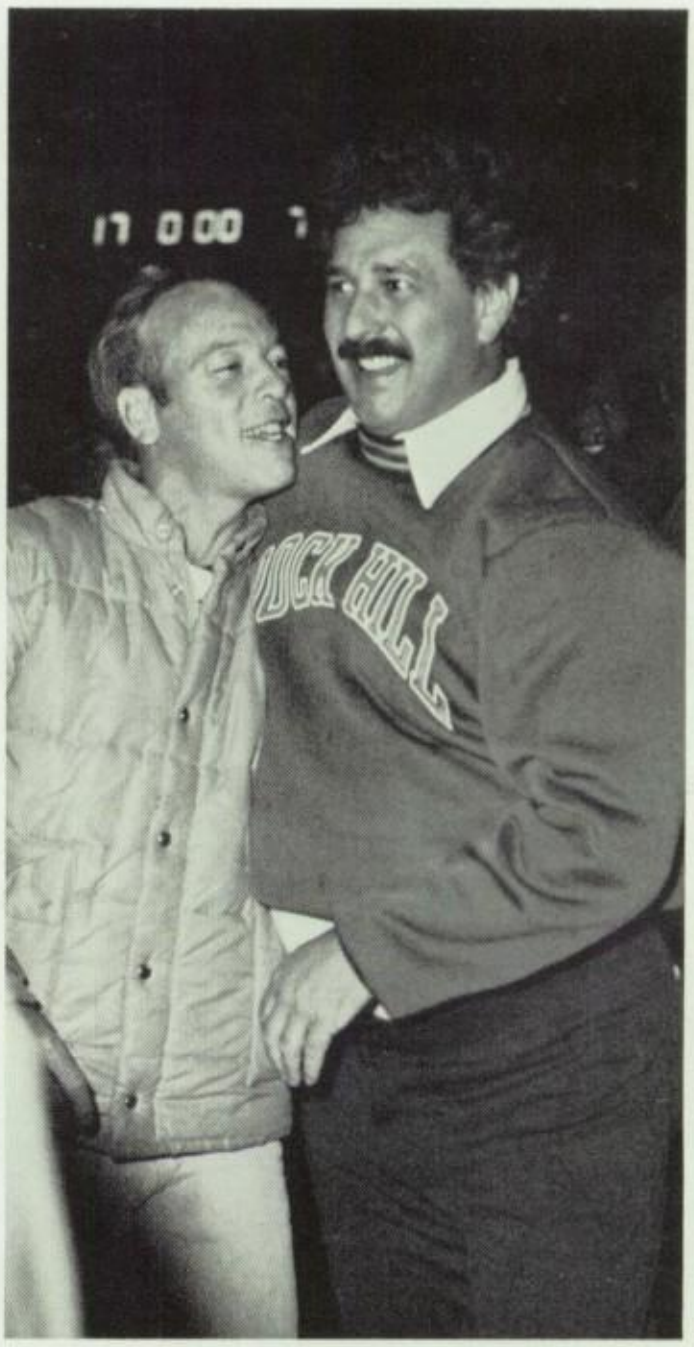
Trojan Stomp

The setting sun was glowing a majestic Bearcat red. At the dear old high school, the famous football team was preparing for the night's battle against our archrivals, Northwestern. At the front of the school, our Band of Distinction practiced to show its excellence once again. A stream of cars lined up meanwhile to form a caravan which truly showed the Bearcat spirit. Darkness fell; the time was drawing near. Suddenly, the sound of buses and cars filled the air as the mighty Bearcats started their descent upon Municipal Stadium. The caravan ventured down Cherry Road displaying its pride. The city of Rock Hill knew it was the night of the "Cats." The stadium was filled with friends and foes alike. Then a roar was heard; the "Cats" had arrived. Not one knew the taste of defeat at the hands of a Trojan. The time was right as the "Cats" were dynamite. Victory was ours long before the final gun sounded. Rock Hill High, home of the Bearcats, had vanquished the Trojans once again.



Congratulations on the 17-7 win, Coach Wallace.

CLASSES

Seniors Anticipate the Future

The members of the Class of 1981 have finally reached the climax of their high school years. They are now Seniors, the graduating class, the most highly respected students at Rock Hill High School. Many hours of study and hard work have helped them to attain this seemingly elusive goal. As the Seniors have considered college life and career opportunities, they have been faced with many momentous decisions. Filing college applications, applying for scholarships, taking care of all the many details of graduation, and wondering who could have shot "J. R." have all served to keep the Seniors busy while they are making fateful decisions about their futures. As they have prepared for the years ahead, the Seniors have also reflected happily on the numerous joyous times of their high school years. Homecoming, the Junior-Senior Prom, and the privileges of Senior life have all served to make the daily trudge a beautiful life!

Juniors Await Last Year

Now that they have managed to plow through their Sophomore year, the Juniors have finally arrived! They have reached the security of being in the middle — not having to take teases as Sophomores and not having to make the difficult Senior decisions about the future. Most Juniors start looking for their first after-school jobs while they still try to keep their studies going. Ordering class rings and planning the Junior-Senior prom are activities that all Juniors look forward to, but they still have to endure the PSAT and the SAT. Their regular studies include, among others, American literature, chemistry, algebra and trigonometry, AP American history, and foreign languages — to say nothing of advanced English grammar. As the Junior year comes to its close, however, the security ends and Juniors begin to look with some fear and a little excitement toward the most important experience of high school, the Senior year.

Sophomores Adjust to RHHS

Sophomores have many things to look forward to at Rock Hill High School. Being a Sophomore means —

Going to a new school of spacious grounds and large buildings;
Seeing new faces and making new friends;
Adjusting to high school life and all its demands;
Being teased and bossed about by upperclassmen;
Exciting new classes and interesting new teachers;
Joining clubs and organizations;
Becoming involved in different kinds of sports activities.

By being understanding, patient, friendly, and not too conspicuous, Sophomores can make their high school life rewarding. The Class of 1983, numbering well over six hundred students, is already the largest at Rock Hill High School. Before two more years have passed, it is their hope to make their class "the most important" group in the school.

ORGANIZATIONS

The Annual Staff

The BEARCAT staff is headed by Donna Guettler, editor. At right, Jatana Hansil, assistant editor during first semester.

The 1981 BEARCAT staff is made up of students who are anxious to put out a good annual. Supervised by Mr. White, members work hard to draw layouts, write copy, and proofread the material to meet deadlines. The hard work and long hours are worthwhile after completing the work and knowing that the staff members have done their best to accomplish a goal.

Since this year's BEARCAT is Volume 47, staff members have been thinking about getting ready for the yearbook's Golden Anniversary—Volume 50 in 1984. While the present staff will not be around for that important occasion, they nevertheless look forward to the event and commend this important milestone to the care of the staff of 1983-1984. Let's hope that the Golden Anniversary book will be the best ever.

"What are you trying to do? Confuse me?"

Counting money is Mr. White's favorite pastime.

At present we have an enrollment of 1575 students in this school. Of this number at least 800 of these are transported on state-owned school buses, driven by some of the finest young people in South Carolina. This group is pictured above and is known as the Rock Hill High School Bus Drivers' Club. They take pride in their job; and, therefore, they have one of the best safety records in this area. These drivers know that they transport a very important cargo. We salute these Bearcats!

Chess Club

Mr. Alderfer appears to be working on biology, but in truth he's contemplating his next match.

Chess is a game of patience and wits that traces back to the sixth century. It has always appealed to the competitive spirits in our midst. This year the Chess Club was made up of an elite group of students. The average ability was good. They even taught several new members how to play. All the members improved their game while participating in pleasant rivalry for first place.

Air Force Junior ROTC

The Air Force Junior ROTC is in the business of building outstanding citizens. Contrary to what some may think, military drill is only a small part of the total program. The Cadets are taught courses in history, government, meteorology, aerodynamics, navigation, aviation history, space technology, communication skills and leadership. The Cadet Corps sponsors competitive drill teams, model rocket club, model airplane club, color guard, and an honor society. The Cadets make numerous "curriculum in action" trips to military installations throughout the state—go aboard major navy combat ships and fly on military aircraft. We are a very active unit of Rock Hill High School students. We encourage you to join us for either the two- or three-year program. We have a lot to offer, do you?

FIVE OUTSTANDING GRADUATES OF ROCK HILL HIGH SCHOOL

(as chosen by a committee of teachers and former teachers)

For the second year the **Bearcat** staff features a section on Honored Alumni as proof that a good education is one of the essential ingredients of what is known generally as success. To be sure, the grace of God, hard work, good luck, and many other indefinable elements are necessary to achieve success. But a really good education is certainly one indispensable requirement.

The distinguished graduates of Rock Hill High School whose pictures and accomplishments follow were once students in this American public high school. They worked hard while they were here. They set their sights on their many and varied ambitions. And from the evidence offered within these pages, we can all declare that these alumni realized their goals to a remarkable degree.

It is the hope of the **Bearcat** staff that the example of these Honored Alumni will inspire and encourage the present students of Alma Mater to the extent that one day in the not-too-distant future some of today's students will be invited to fill similar pages in the **Bearcat** of tomorrow.

Varsity Football

Here come the Cats!

This year the Varsity Football Team achieved a great accomplishment. This marked the first time the Bearcats appeared in The Upper-State 4A playoffs, against Dorman High School. Though the 'Cats came out on the short end of a 16-7 score, the season was a tremendous success. They ended the regular season with a 7-3 record and with a thorough drubbing of Northwestern by the score of 17-7.

The Bearcats' offense was led by its very strong line nicknamed The Rock Hill Moving Company. It was led by David Pierce, Chip Morgan, and Ray Carpenter. Tony Brown provided the spark necessary for the explosive Bearcat backfield.

The stingy Bearcat defense held their opponents to a very low average of eight points per game. This strong defense was headed up by Pie Smith, Perry Sutton, and Bolo Howze.

Congratulations on a year that we'll always remember!

Homecoming 1980 was a tremendous success. Not only did the football team soundly defeat Boiling Springs 43-14, but many students attended and participated in the activities that made the night an overall gala affair.

This year's Homecoming theme was "The Wild West" and it seemed as if almost every student wore some type of Western garb. The very beautiful Homecoming court was comprised of Seniors, Juniors, and Sophomores who further contributed to the unity and spirit that were evident throughout the evening.

Terri, Sandra, Tammy Knox, and Lori Sapp were all nominated for the U.S. Cheerleader Achievement Award, and Terri won the individual cheerleader championship. Following that, our dedicated cheerleaders helped lead the Pep Club to victory in the Evening Herald Football Jamboree Spirit Award, and they won the R.H.H.S. Tip-Off Classic Championship.

Congratulations to a fine bunch of girls and to an outstanding year. They deserved every award.

The Junior Varsity Cheerleaders were a vital part in the Bearcat sports program in 1980-81. They provided the leadership for the Sophomores at every pep rally and at every football and basketball game. Overall, they were a very spirited squad.

Golf

The Bearcat Golf Team battled the 1980 season plagued with inexperience and tough competition. Greg Sweatt ended an outstanding career for the Cats with a season average of 76. Clyde Avery ended the 1980 season with an average of 77. The Cats finished the year with a 7-13 record somewhat off the pace of the past year. Nevertheless, the outlook is bright for this year as Clyde Avery, Rick Corn, Steve Connally return from last year. Also joining the team is Jeff Pilcher. Good luck, Cats!

The 1980 Rock Hill High Volleyball Team did not enjoy the success of the past years. However, the Lady Cats did post a winning record of 11-10, climaxed with a dramatic win over Northwestern. The team was led by the outstanding play of Seberina Barber, who was named to the Evening Herald All-Area Volleyball Team. Mrs. Corn provided the necessary leadership as always and the prospects are good for a successful season next year.

Soccer

Eric McManus gets his kicks from soccer.

The Bearcat Soccer Team had its ups and downs this year. The season started out rough as the Cats lost their first three matches to tough opponents. However, the Cats came back and won their next three matches in a row, including a win over Northwestern.

Captains of the team were Seniors Eric McManus and Ted Pearson. Chili Chisholm was named the MVP for the second consecutive year. He set the school records of most goals in one game, seven, and in one season, twenty-two. Tim Hovis had an outstanding year and the team was helped by many Sophomores and Juniors.

Soccer is still young in Rock Hill and next year's team will need much support. Let's work together and help recognize the soccer team.

Rosa Williams has her eyes on the ball.

The Girls' Tennis Team worked hard all season even though the going was rough. The girls struggled through a 2-7 season. The team, however, was fairly young with only three Seniors. Next year returning for the Cats are Lori Freeman, Laura Frank, Kelly Green, Kim Fischer, and Kasey Melton. The three Seniors were Jatana Hansil, Rosa Williams, and Lisa Smith. Good luck next year to the Lady Cats' Tennis Team.

The Bearcat Tennis Team is looking forward to a successful season. The team has returning five players from last year's team plus the addition of new talent. Coach Norwood is guiding the team under the second year of his leadership. Seniors on the team are Wendell Boulware, Avery Price, and Brian Chevrier. Serious practice started in February as the team prepared for its season of matches.

Fantastic! That's how you can describe the Lady Cats. The Girls' Basketball Team enjoyed a very successful season by capturing the Region 2-4A Regular Season Championship, Tournament Runners-up, the Upper State 4A Championship, and second place in the State Championship. The Lady Cats finished with a 19—5 record.

The team was led by the dedicated Seniors. Laura Willis was selected to the All-Region 2-4A team and the Charlotte Observer second team. Rosa Williams was selected to the All-Region 2 team. Dee Dee Honeycutt played an important role in the Lady Cats' victories. Junior Sandra Browning and Sophomore Lisa White helped out the girls, too. Congratulations to all and Coach Ireland for her hard work in keeping the team together! FANTASTIC!!!

Laura Willis concentrates on the basket.

Lady Cats are always on top.

Lisa White throws a pass.

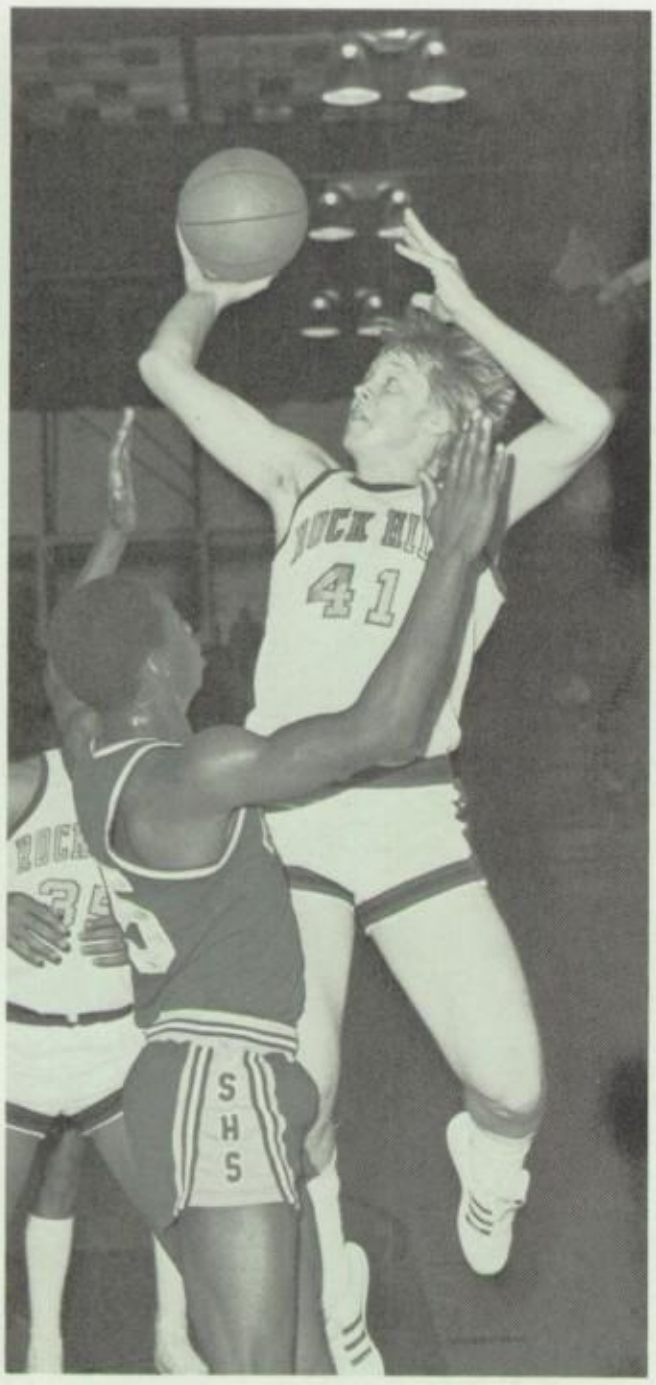
Tony Brown shoots for two!

James Howze scores against Northwestern.

The Varsity Boys' Basketball Team enjoyed a fine season this year under Coach Jim Bolt. The Bearcats got off to a quick start, winning five of their first six games. The team spent most of the season on top of the Region II AAAA standings. Outstanding players for the Bearcats were Darryl Massey, who scored the one-thousandth point of his High School career in the Cats' first meeting with Northwestern, Glenn Smith, Ed Brown, James Howze, Tony Brown, and Aldo Hemphill. The Bearcats ended the season with a record of 8-4 in the region and 13-7 overall. They also won the championship of the Sertoma Basketball Tournament. Hopefully next season will be a successful one as the Cats return eight players from this year's squad.



Glenn Smith puts up a tough shot.

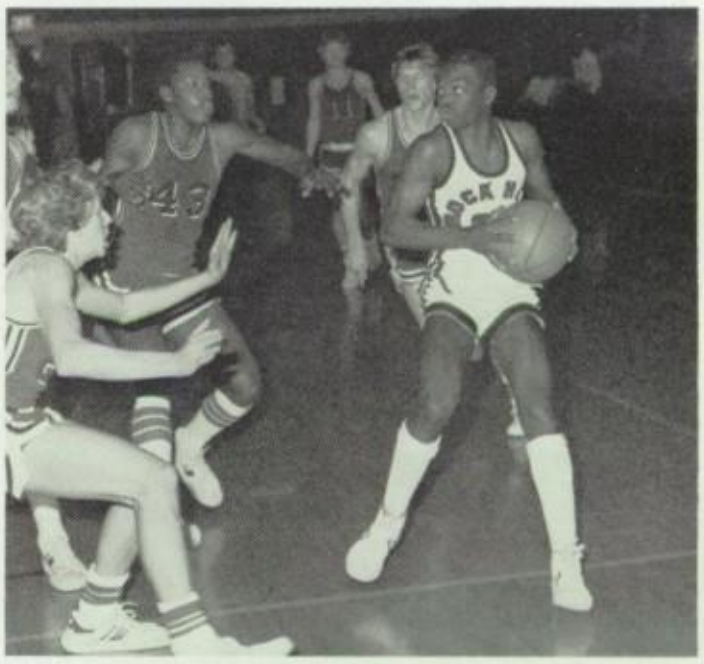
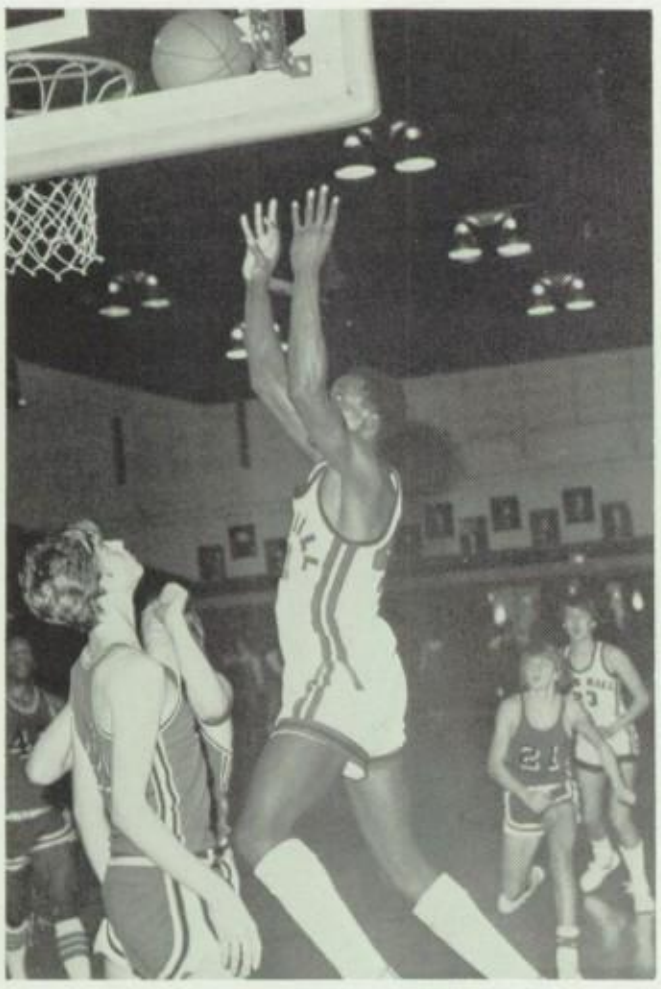
Junior Varsity Basketball

Ollie Anthony, John Barber, Milton Cherry, Bruce Craig, David Duffy, David Hall, Terry Hinton, Reggie Hopkins, Chambers Jackson, Chris Lowe, Sammy Reid

The Junior Varsity Basketball Team enjoyed a tremendously successful campaign this year, which included two great wins over Northwestern. Led by Coach Chip Smith, the Jayvees compiled an impressive record of 13-4. The team was characterized by good defense and hustle. Terry Hinton, Sammy Reid, John Barber, and Milton Cherry carried the scoring load for the Cats. David Duffy and David Hall shared the rebounding duties, and Ollie Anthony, Reggie Hopkins, Chambers Jackson, and Chris Lowe were valuable for their ballhandling efforts.



Chambers Jackson gets surrounded.



Terry Hinton scores two for the Cats.

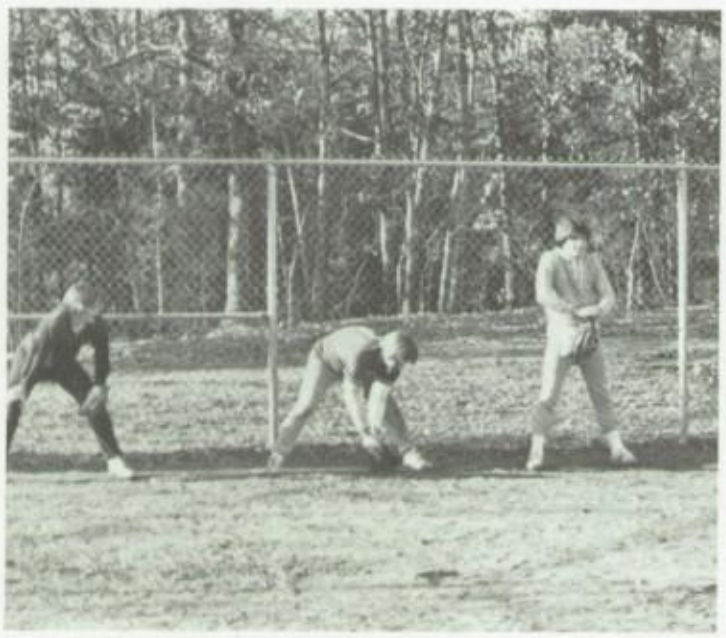
The Baseball Team, headed by Coach Green and Coach Smith, enter the 1981 season with high hopes of success. Though they are coming off a somewhat disappointing year, the returning nucleus of Seniors led by Johnny Archie, Darryl Smalls, and Jef Tobias, plus the addition of Seniors Steve Hays, David Humphrey, and David Rodgers makes this season's outlook very bright for Rock Hill High. Also returning for the Bearcats are All-Area Junior James Howze, and Juniors Forrest Faulkner, Sammy Rollins, Eric Hope, Scott Nader, and Will Stephenson.



Johnny Archie displays good fielding technique.

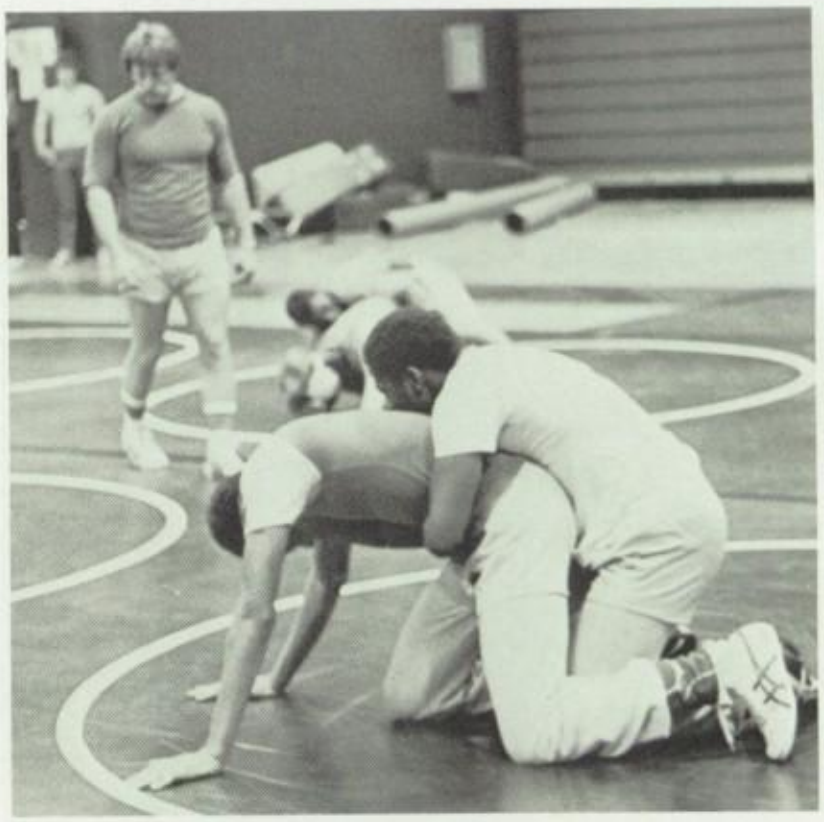
Dynasty and tradition. These two words describe the Bearcat Wrestling Team. Coach Barnes in his first year as the wrestling coach enjoyed a successful season. The wrestling team, though mostly young and inexperienced, worked hard to maintain the Bearcat dynasty and tradition in wrestling. The mighty Cats wrestled their way to an undefeated regular season. The team finished first in the York Invitational, Bearcat Invitational, and the East Mecklenburg Invitational wrestling tournaments. They also placed first in the Region 2-4A tournament. In the State Finals, the Cats finished second. The prospects look good for another great season next year.

Pat Neely was an individual state champion. P.Y. Erby, Chris Brock, and Sam Hope all came in second in the state. Goober Strickland finished third and Willie Leak finished in fourth place. Way to go, Cats!



Sam Hope and Tim Boozer work hard at practice.

Cross Country

(Standing) Chip Hutchison, Jim Koterba, R. J. Ochoa. **(Kneeling)** Calvin Pickett.

The young Bearcat Cross Country Team had a very successful year. Dedicated to the hard workouts of Coach Smith, the Cats strove forward despite the fact that there were only five members. Nevertheless, the cross country team only lost to Spartanburg (finished first in the state meet), Northwestern (tenth in the state meet), and Gaffney. With no Seniors on the team, next year's prospects are looking good and also Calvin Pickett, a Sophomore, finished second in the state meet. Congratulations on a fine season.

Chris Sanders pole vaults high over the bar.

The 1981 Bearcat Track Team faces a good season with the new talent and experience returning from last year's track team. The overall record should improve over last year's record.

The attitude of the team is very impressive. Each member seems to be dedicated to hard work and a good season.

Coach Winborn says that the team should be strong in the distance and field events. Several of the sprinters are looking very good and should produce fine relay teams.

The Carolina Invitational Track Meet, Optimist Relays, Trojan Relays, and the Volunteer Track Classic are some of the important meets of the year.

John Gatlin shows concentration going over the hurdles.

THE BEARCAT PRAYER

Teach us, Good Lord, to serve Thee as Thou deservest; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labor and not to ask for any reward, save knowing that we do Thy will; through Jesus Christ our Lord. Amen.

—Saint Ignatius of Loyola

ALMA MATER

We sing to thee, our Alma Mater,
From hearts that glow with pride sincere.
Thy mem'ry ever lingers with us
Though we be scattered far and near.
Whate'er we win of fame or fortune,
For High School days we oft will sigh.
We'll cherish still our Alma Mater,
Our dear old Rock Hill High.

Let loyalty now be our watchword,
A theme that's dear to one and all.
Though far away we oft may wander,
We'll ever hear thy ringing call.
Our thoughts will linger with thee ever;
Our hopes and dreams will e'er be true.
Our hearts forever will be loyal,
Dear Rock Hill High, to you.

— Catherine Timmerman Moore

FIGHT SONG

On, you Bearcats! On, you Bearcats!
Fight on through that line!
Take the ball down to the goal post!
Touchdown every time!
Fight! Fight! Fight!

On, you Bearcats! On, you Bearcats!
Fight on for your fame!
Fight, Bearcats! Fight!
And we will win this game!

Acknowledgments

This school year marks the last year for the Seniors, but college and prospects for jobs beckon them forward. The Juniors realize that next year they will be Seniors and, thus, the leaders at the Rock. The Sophomores have been learning what it means to be Bearcats, and they will help carry on the school spirit next year.

Our school is a home away from home. We have learned much more than our required curriculum during our stay; we have learned of life's difficulties and challenges that we must face every day. The end of this year marks the beginning of yet another one. Yesterday's joys are tomorrow's hopes. Though the future may seem unclear, we know that there is always a way to overcome our fears; and a Bearcat never fails! **The 1981 Bearcat** is for all the students at Rock Hill High who are proud to be Bearcats.

We would like to express our appreciation to everyone who had a part in producing this volume. Thanks to them for all they did! We are especially grateful to the following friends of the 1981 **Bearcat**:

The faculty and administration, for their patience and co-operation;
The Evening Herald, for some of the best pictures in the book;
The Blackstons, for their professional photographs, valuable guidance and assistance;
Miss Irene Kneece, for providing pictures of CDC;
Mrs. Elaine Baker, for assisting us in obtaining photographs of the administration;
George Rogers, the 1980 Heisman Trophy Winner, for selecting the Senior beauties;
The RHHS office staff and counselors, for service beyond the call of duty; and
Mr. White, for his valuable guidance, his patience, and hours of work. We could not have completed this book without him!
